

Medicare Update for 2008

The Federal Government has significant impact on the health care delivery system, through the Department of Health & Human Services, the Center for Medicare & Medicaid Services (CMS), the Office of Inspector General (OIG), along with the actions of the United States Congress. This course will detail many of the key changes made in the Medicare program for 2007, including: Discussions of the Physician Fee Schedule; Changes to RVU and Geographic Practice Cost Indices; Changes to Medicare Part B and the new Part D Prescription Drug Program; Updates to the STARK rules; a Legislative Update in addition to a wide variety of other important and timely topics. This course will be valuable for all physicians, surgeons, office managers, supervisors and staff.

This Practice Management Webconference is just \$99 for Members & their Practices:

- | = A 90-minute live Webconference including a formal presentation and time for Q&A
- | = The course is given once as a live Webconference, on Wednesday February 13, 2008 (convenient for your staff) and then via streaming Internet technologies shortly thereafter. Your \$99 registration fee covers either one or both presentations and handout materials.
- | = The ability for ACS Fellows and practice managers to e-mail follow-up questions to Economedix Practice Management Advisors for personalized responses

Course Objectives - Completion of this Practice Management Course will provide:

1. An update on the status of Congressional actions regarding the Physician Fee Schedule
2. Details regarding changes to Medicare's RVU, GPCI and the Conversion Factor
3. Updates on other changes to the Medicare Part D and STARK programs
4. A detailed review of the new Medicare Part D program for Prescription Drug Coverage for Seniors
5. A broad review of other Federal related programs of vital interest to physician and surgical practices
